

Springfield Mind is a successful charity founded 33 years ago to promote wellbeing within the community. Our mission is to deliver local services which promote mental wellbeing. We achieve this in partnership with service users, volunteers and professionals through education, signposting and promotion.

With one in four people experiencing a mental health problem in any given year, demand for our services has never been higher. Please support us in our work to help people in South Warwickshire and Worcestershire to achieve personal mental wellbeing. In return for as little as £3 per month or £30 a year, you will receive:

A Supporters Pack	Invitations to events and activities
A quarterly newsletter about our work including expert advice on improving wellbeing.	Attendance & Voting rights at our AGM
