What is MoodMaster exactly?

MoodMaster provides weekly sessions lasting an hour or so, in which you can hear really good information about emotional and physical health. If you think of MoodMaster being to emotional health what Weight Watchers is to weight control, you won't be far wrong.

Isn't that a bit 'heavy'?

Not at all. Sessions are designed to be interesting and relevant, and they are meant to be fun too.

What exactly happens at a MoodMaster session?

Firstly you have a special form to rate how things have been during the week. Then, people who want to, say what they've learned during the week. Then the group leader reads out the information on the week's topic. Finally she gives you the information sheet for you to take away and act on over the next week.

You talk about 'physical and emotional wellbeing', but isn't it mainly about emotional things?

Yes, it is, although the two are very linked. For instance, exercise is very important in stopping depression.

So do I have to have 'emotional problems' to come?

Certainly not. You may do, but you certainly don't have to.

I think it's my friend or relative who should really come. What about that?

You can see if you can persuade them to come, or you can come on their behalf and pass on the information.

Where are the sessions held?

Sessions will be held at Wallace House, 4 Oat Street, Evesham, WR11 4PJ. Starting on Friday 11th January until Friday 5th April 2019 (Week Break on Friday 22nd February 2019).

How much does it cost?

MoodMaster sessions are completely free of charge and you can join at any time - we want MoodMaster to be for everybody.

Can I bring a friend?

Yes, two (or more) of you can join MoodMaster together. Or you can join by yourself - both are fine.

How do I join?
